## INTRODUCTORY

Owing to the scarcity, or rather the impossibility of getting sufficient livestock help, we are compelled to cut our herd by considerably more than half. We have gone to a great deal of trouble as well as expense, to pick up as good cattle as we could secure and we are now listing the best animals in the herd bar none.

The individuality of the cattle listed is high, and we really believe that the catalogue will show as good breeding as will be turned out anywhere this year. The cattle are not highly fitted—just in their working clothes and you are going to be the judge. It is useless for us to continue, the cattle will speak for themselves. They will be sold to the highest bidder on October 9.

## ANNOUNCEMENTS

**Location:** The sale will be held at the Agricultural Grounds, Richmond Hill, Ontario, Wednesday, October 9, 1946, commencing at 1.30 p.m. Electric cars every hour from Toronto.

**Health:** The herd is Fully Accredited for Tuberculosis and Under Federal Government Test for Bangs. Retest privileges will be granted; blood to be drawn at the farm by a qualified Veterinarian; expense in connection with said test to be borne by the purchaser.

**Warranty:** All cattle, bulls or females, are sold as proven breeders but in no case are the service dates guaranteed. If bred females prove not to be in calf and fail to conceive after a reasonable time (after service to a proven sire) the non-breeding animal may be returned and the purchase price will be refunded. All bulls are guaranteed proven breeders after reaching the age of 14 months.

**TERMS:** The cattle will be sold for cash.

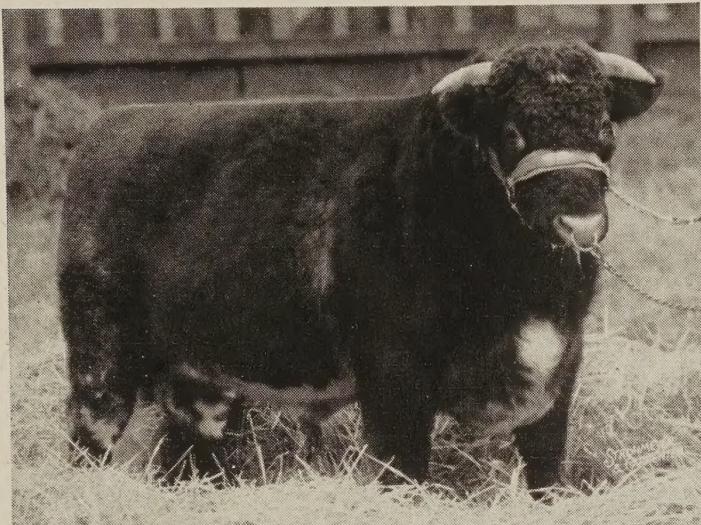

**Registration and Transfer:** Certificates of Registry and Transfer of ownership will be furnished with each animal.

All cattle are at the purchaser's risk as soon as sold but will be cared for without charge for a reasonable time after the sale.
